

26MAY16 : Delivery of the interface partner (which was due on monday 23rd). The scheduling option will be only offered to operators having up to 3 aircrafts otherwise it is not realistic for them to update our platform and they will give up after a few weeks,

<p>Lynjet.com</p> <p>Home page</p> <p>Login as partner option will relate to the membership pop up mentioned below.</p> <p>- the membership pop up (we need to work on it together to advise rate and text to be displayed)</p>	
<p>- flight search application</p> <p>ie</p> <p>Search Page</p> <p>Do not allow access to this page without user logging in .</p>	

As for the map she said it could be hidden initially but with an option to view/show map by clicking a switch/check box.

<p>- flight price calculation</p> <p>I forgot to mention this mark up to be reflected in the price</p> <p>NB. I have just been informed that the VAT should be applied to domestic flights. Rate is as per rates to be emailed n Monday 28 May. A domestic flight is where the country of the departure airport is the same as the country of the arrival airport.</p>	<table><tr><th>GP up to 300k€</th><th>Basic</th><th>Elegance</th></tr><tr><td>Very Light Jet</td><td>3.95%</td><td>10%</td></tr><tr><td>Light Jet</td><td>3.95%</td><td>8%</td></tr><tr><td>Midsized Jet</td><td>3.95%</td><td>5%</td></tr><tr><td>SuperMidsized Jet</td><td>3.95%</td><td>5%</td></tr><tr><td>Large Jet</td><td>3.95%</td><td>5%</td></tr><tr><td>Global Jet</td><td>3.95%</td><td>5%</td></tr><tr><td>Heavy Jet</td><td>3.95%</td><td>5%</td></tr><tr><td>Propeller</td><td>3.95%</td><td>9%</td></tr><tr><td>Commercial Jet</td><td>3.95%</td><td>9%</td></tr></table> <table><tr><th>GP above 300k€</th><th>Basic</th><th>Elegance</th></tr><tr><td>Very Light Jet</td><td>-</td><td>-</td></tr><tr><td>Light Jet</td><td>-</td><td>-</td></tr><tr><td>Midsized Jet</td><td>-</td><td>-</td></tr><tr><td>SuperMidsized Jet</td><td>-</td><td>-</td></tr><tr><td>Large Jet</td><td>4.2%</td><td>7%</td></tr><tr><td>Global Jet</td><td>4.2%</td><td>7%</td></tr><tr><td>Heavy Jet</td><td>4.2%</td><td>7%</td></tr><tr><td>Propeller</td><td>4.2%</td><td>-</td></tr><tr><td>Commercial Jet</td><td>4.2%</td><td>5%</td></tr></table>	GP up to 300k€	Basic	Elegance	Very Light Jet	3.95%	10%	Light Jet	3.95%	8%	Midsized Jet	3.95%	5%	SuperMidsized Jet	3.95%	5%	Large Jet	3.95%	5%	Global Jet	3.95%	5%	Heavy Jet	3.95%	5%	Propeller	3.95%	9%	Commercial Jet	3.95%	9%	GP above 300k€	Basic	Elegance	Very Light Jet	-	-	Light Jet	-	-	Midsized Jet	-	-	SuperMidsized Jet	-	-	Large Jet	4.2%	7%	Global Jet	4.2%	7%	Heavy Jet	4.2%	7%	Propeller	4.2%	-	Commercial Jet	4.2%	5%	<p>IF the cost of the flight is less than Euro 300 000 THEN apply these percentages as a commission mark up on the price</p> <p>ELSEIF the cost of the flight is more than Euro 300 000 THEN apply these percentages as a commission mark up on the price</p> <p>FYI you can see the difference between Basic and Elegance so the price you calculate can be shown as two amounts for now.</p> <div><div><div>OFFRE BASIC 9 800 EUR. <small>(PAR PASSAGER)</small></div><div>OFFRE ÉLEGANCE 12 322 EUR. <small>(PAR PASSAGER)</small></div></div><div><div>OUTBOUND LBA CAI 28.05.2016 13:49 5</div><div>INBOUND CAI LBA 28.05.2016 17:49 5</div></div><div>PRICE £16,500.00 CHECKOUT</div></div> <p>I told Linda that for MVP the payment will not be confined to lynjet.com due to the security issues. ~~Contact ADI from sky taxi and work on the new pricing calculation. Please note that we are currently working on the taxes for each airport on the original excel sheet. I would recommend not to tell Adi that we haven't finished to list all the taxes but you can tell him that this is something we are about to finalize. Just try to make sure that we get his system of calculating and move forward from there.~~

~~For other operators you would need to know after we set up the flight calculation module to be in touch with operator to get a connexion through their API for the booking process and also for the a/c availability.~~

27MAY16 : Delivery of the MVP with all the current options and the current pricing as per discussed with ADI
